

LESSON PLAN

LEARNING THE ALPHABET

Grade: Year 1

Subject: English

Objective: By the end of the lesson, students will be able to:

- Recognize and identify uppercase and lowercase letters of the English alphabet.
- Pronounce each letter correctly.
- Understand the sequence and order of letters in the alphabet.

Materials Needed:

- Alphabet chart or posters
- Flashcards with uppercase and lowercase letters
- Whiteboard and markers
- Worksheets with alphabet activities (matching, tracing, colouring)
- Storybooks or poems with alphabet themes (optional)

Duration: 45 minutes

Procedure:

1. Introduction (5 minutes):

- Greet the students and introduce the lesson on the alphabet.
- Show an alphabet chart or posters displaying both uppercase and lowercase letters.

2. Letter Recognition (10 minutes):

- Use flashcards to introduce and display each letter of the alphabet, both uppercase and lowercase.
- Pronounce each letter clearly and encourage students to repeat after you.
- Discuss any differences between uppercase and lowercase forms (e.g., size, shape).

3. Alphabet Song (5 minutes):

- Teach or sing the alphabet song together as a class.
- Encourage students to follow along with the song and point to the letters on the chart or posters as they sing.

4. Activities (15 minutes):

- **Matching Activity:** Provide worksheets or cards with uppercase letters on one side and lowercase letters on the other. Ask students to match each uppercase letter with its lowercase counterpart.
- **Tracing and Colouring:** Give each student a worksheet with letters to trace and colour. Provide guidance on correct letter formation.

5. Story or Poem (5 minutes, optional):

- Read a short story or poem that incorporates the alphabet (e.g., "Chicka Chicka Boom Boom" by Bill Martin Jr. and John Archambault).

- **Pause to point out and emphasize specific letters as they appear in the text.**

6. Closure (5 minutes):

- **Review the alphabet with the class.**
- **Ask students to identify a few letters and state their sounds.**
- **Summarize the lesson by emphasizing the importance of learning the alphabet for reading and writing.**

Assessment:

- **Observe students during activities to ensure they can recognize and correctly identify both uppercase and lowercase letters.**
- **Check completed worksheets for accuracy in tracing and matching letters.**

Homework:

- **Assign a simple worksheet where students practice tracing and writing letters of the alphabet.**

Extension:

- **For students who grasp the material quickly, introduce simple three-letter words and ask them to identify the beginning sounds of each word.**

Note:

- Use positive reinforcement and encourage active participation throughout the lesson.
- Adjust the pace according to students' understanding and engagement levels.
