- In the gym

4. School Zone Sign

- At the school entrance
 - In the school office
 - On the basketball court
-

Part 3: Draw Your Own Sign

Draw a picture of a sign you see in your school or community. Then, write a sentence explaining what the sign means and where you might see it.

My Sign:

[Drawing Space]

My Sign Means:

I See This Sign At:

Part 4: Spot the Sign

Look at the picture below. How many signs can you find? Circle each sign you see.

Part 5: Colour the Signs

Colour the following signs using the correct colours:

1. **Stop Sign** - Red
 2. **School Zone Sign** - Yellow
 3. **Pedestrian Crossing Sign** – White and Black
 4. **Restroom Sign** - Blue
-

Teacher's Notes:

Assessment Criteria:

- Accuracy in matching signs to their meanings.
- Ability to identify where signs are commonly found.
- Creativity and understanding shown in drawing and explaining their own sign.
- Observation skills in spotting signs in a community scene.
- Correct colouring of signs.

This worksheet will help students recognize and understand the importance of signs and symbols in their school and community, reinforcing their learning through matching, drawing, identifying, and colouring activities.
